Subject: Public Records Request - Direct Route Citations since July 11, 2018
Attachments: direct route or noise safety violations.pdf

Dear Records Request Officer.

On July 11, 2018 the city indicated that no citations had been issued on 27th street for direct route violations in the preceding 5 years pursuant to CVC 35703 or its subordinate HBMC10.24.040.

A PDF of that response is included in at the end of this email.

On September 24, 2019 in an email to me Captain McKinnon stated the following regarding the enforcement of Direct Route Laws on 27th street:

It is clear that I am unable to convince you that we do monitor the area, we do follow trucks to determine if they are properly using the route, and we do issue citations...

END QUOTE

Accordingly I request the records of all direct route violations issued for traffic using 27th street for thoroughfare since July 11, 2018 including the citation # the date issues, and if possible a copy of the citation and all officer notes.

We already know from the following PRR response that NO citations were issued prior to that date.

Thank You
Anthony Higgins

Dear Mr. Higgins,

I have received your public records request dated July 2, 2018. I was unable to locate any police calls for service for overweight/oversize vehicles or noise/safety concerns regarding overweight/oversize vehicles on 27th Street for the past five years. There have been no citations for overweight/oversize vehicles, (California Vehicle Code 35551(a) or Hermosa Beach Municipal Code 10.24.040) during the past 5 years.

Please let me know if you need further assistance.

Sincerely,

Terea Johnson
Hermosa Beach Police Department
